# WYE RIVER SLSC LIFE MEMBERSHIP NOMINATION CRITERION

## HOW TO MAKE A NOMINATION FOR LIFE MEMBERSHIP

To be considered for Life Membership of Wye River SLSC, the nominee must be:

- A current financial member of Wye River SLSC and
- A member who has rendered distinguished voluntary service to WRSLSC over a period of 15 years (which need not be continuous)

The distinguished nature of this service must be a key feature of the nomination. The proposer is required to fully document all the evidence of sustained, positive contributions by the nominee towards the development of lifesaving at Wye River.

Nominations for consideration must be submitted to the President of WRSLSC no later than:

**5.00PM the final business day of January in the current season.**

## HOW TO COMPILE YOUR NOMINATION:

Your nomination must consist of a 300 word (or less) overview of the nomination plus the listing of the nominee's achievements as detailed below:

1. Outline in **300 words or less**, why your nominee should be awarded WRSLSC Life Membership.
2. List in point form from the following where relevant (and any other matters):
  - The nominee's sustained and positive service to lifesaving at WRSLSC;
  - The nominee's personal achievements that have impacted on WRSLSC from their service to either State, National or International levels if any;
  - The nominee's volunteer roles held at WRSLSC, State, National or International level in any area of lifesaving;
  - The nominee's club membership history, awards held, honours/qualifications gained.

Background notes:

- It is important that the evidence supplied is specific to the nature of the individual's achievements apart from that of a group (eg. That the

nominee contributed to an edition of a training manual does not distinguish them from the other people who have contributed);

- Testimonials are welcomed to support the nominee's achievements (award citations, Annual Reports...)
- Should the nominee hold membership with more than one club, how has this assisted their service to WRSLSC?
- All nominations will be given due diligence by the Life Members Committee and their decision is considered final.

The nomination and all supporting documentation are to be submitted by the last business day of January in the current season, using an envelope marked:

"Confidential Life Membership"

Wye River SLSC
