## 2021 Membership Refund Policy

### 1 Purpose

The purpose of this document is to outline Wye River SLSC's refunds position.

### 2 Scope

This policy applies to all member of Wye River SLSC.

### 3 Policy Statement

- 3.1 Wye River Surf Life Saving Club (**WRSLSC**) generally offers a 12-month membership which provides members a range of benefits, including but not limited to the ability to participate in WRSLSC surf lifesaving activities including insurance, patrols, surf sports, Nippers, training and education programs and social activities as well as the right to access and use Club premises and equipment, in that same year. Members accept the conditions outlined in the SLS Membership form when applying for membership. Membership is a contract between the Member and the WRSLSC, State Centre and SLSA. WRSLSC has adopted this policy as an additional set of conditions that applies to membership of WRSLSC.
- 3.2 PLEASE NOTE: Individuals who complete and lodge an application for membership whether on-line or otherwise become a member of WRSLSC for the current membership year in the relevant membership category. It is assumed that they will avail themselves of the rights and benefits of WRSLSC membership and a refund will generally not be available. This policy applies if those services (or some of them) are generally not unavailable.
- 3.3 As everyone is aware in 2020 COVID-19 was declared a Worldwide Pandemic. The subsequent management of Australia's response to the pandemic triggered government restrictions on surf lifesaving activities which has prevented members from participating in LSC activities for various periods. The Pandemic and consequent restrictions have caused significant disruption to lifesaving activities and forced the suspension, postponement and cancellation of such activities with the consequent loss or reduction of participation opportunities for members. As all members would be aware these matters and their effects are out of any party's control.
- 3.4 Although at this stage it is unclear what lifesaving activities will be conducted by WRSLSC in the 2021-22 summer it is envisaged that WRSLSC will still supply member benefits. WRSLSC will use its best endeavours when seeking membership renewals to advise members what benefits will be available and provided. Members will then be free to make their own choice as to whether to re-join or not.
- 3.5 All Members will be given the opportunity to re-join and continue to support WRSLSC and to continue to receive the benefits, services and programs offered by WRSLSC (noting these might be limited).
- 3.6 If WRSLSC is unable to provide a full range of benefits, services and programs members may be eligible for a refund and/or may have the opportunity to transfer their membership to 2022, subject to the terms and conditions below:
  - 3.6.1 If the consideration of refunds becomes necessary WRSLSC will open and close an application process for refunds at the discretion of WRSLSC.

- 3.6.2 All members will be notified of the process, including the eligibility criteria and the timing of the process, via their email address in SurfGuard or membership contact tracking system.
- 3.6.3 Members are responsible for completing this application process and providing accurate information to enable a refund claim to be assessed. Making or completing an application is not confirmation that a member will receive a refund. WRSLSC will assess each claim to determine eligibility and may request further information from the member before determining if a refund is applicable. If the further information is not provided WRSLSC may not be able to process the refund.
- 3.6.4 A member who does not complete an application will waive their right to a refund once the application process closes.
- 3.6.5 All applications will be subject to the terms and conditions outlined below.
- 3.6.6 A parent/guardian may complete the process on behalf of a junior member. All other applications must be completed by the member.

## 4 Terms and conditions

- 4.2 Once complete an application may be withdrawn but cannot be altered.
- 4.3 Processing fees paid at the time of joining are non-refundable.

- 4.5 Should a member receive a full reimbursement and then seek to join again, the member will be entering into a new "agreement" and will be required to purchase a new membership. This will again be subject to processing fees.
- 4.6 By completing the refund process, where a full refund is requested and issued, the member acknowledges and agrees that the previous membership contract that was in place is terminated and that all rights under that previous contract are waived in regards to accessing WRSLSC member benefits for the relevant membership period. By termination of the previous contract members agree to release WRSLSC from any claims they have or may have had under that contract.
- 4.7 By completing the process and electing where eligible to transfer your 2021 membership to a 2022 membership, the member acknowledges and agrees that the previous membership contract that was in place is now terminated and that all rights under that previous contract are waived in regards to accessing WRSLSC member benefits for the relevant membership period. By termination of the previous contract members agree to release WRSLSC from any claims they have or may have had under that contract.
