

# Nipper Update

December 2018

Less than 2 weeks before we get started. Thanks to those who have already registered for nippers. If you haven't yet, follow the link below...

Remember all nippers need to have their Preliminary Swim form signed off and emailed back to me at [wyrivernippers@gmail.com](mailto:wyrivernippers@gmail.com)

The season starts with registration day followed by 8 nipper sessions. This program provides all children the opportunity to participate, learn and have fun.

It focuses on:

- Basic First Aid
- Awareness of beach hazards such as rips, waves, rocks etc.
- Introducing aspects of the surf sport activities such as board paddling, wading and swimming, catching waves and beach flags.

Age groups taught progressive and specific skills and activities.

## Registration Day Procedure – Thursday 27<sup>th</sup> December

It is really important that each nipper appears on our lists, so please drop in to the club during the allocated time to have each nipper checked off. You will also be able to put your name on our volunteer lists to help with the running of the program.

Families with surname starting with A-M, 3-4pm

Families with surname starting with N-Z, 4-5pm

## Merchandise will be available on the day between 3-5pm

New Nippers receive a Nipper rash vest and wide brim hat and need to purchase nipper cap for \$10.

Please see the merchandise flyer

## WATER SAFETY

All Bronzies and SRCs, remember that helping out during Nippers is a great way to give back to the club. I'm sure you remember the great support the water safety guys gave you when you were young. It's now your turn to support the younger kids in our club and help them be as confident in the water as you are.

Click the link below and fill out the form.

## MOVIE NIGHT – 30<sup>th</sup> December 2018

We will take over the club in our usual way, bring a comfy cushion and some money to buy donuts and lollies, while we all watch a movie together. This is a great chance for the parents to head to the pub kid free!

## IPOD SHUFFLE NIGHT – 2<sup>nd</sup> January 2018

All attendees pay 5 dollars and nominate a song of their choice *prior* to the event (to allow for playlist to be compiled). On the night, everyone will arrive at the clubrooms dressed up as something relating to the song of their choice, not compulsory. The playlist is then placed on shuffle over the loud speakers, with the last song getting a prize! There will be heaps of dancing, prizes for best dressed, and other activities throughout the night. A list will be compiled on the first few days of Nippers – No duplication of songs, so get in early!
