

6th October 2020

SRC/BRONZE CAMP 20/21

Hi Everyone,

Due to COVID restrictions, the Bronze and SCR Camps will take on a different look this year. Unfortunately, the Bunkhouse is closed for the season, so there is no live-in camp.

The format of the courses will be blended – online and face to face components. The First Aid and CPR theory will be done online, consisting of 4 x 90-minute online workshops with Mia and Ethan. These will be programmed weekly in December.

The practical component of the course will be run in from the 4th - 7th January and the assessment will be completed on the weekend of the 9th & 10th. SRC's will be training in the mornings and Bronzies in the afternoon.

Theory - 4 x 90-minute online workshops in December

Practical – 4 x 3 hr sessions at the Club on 4th - 7th January

Preliminary open water swim assessment - 2nd/3rd January, depending on conditions (SRC 200m/Bronzies 400m).

Course assessment – 9th/10th December, depending on conditions.

The Club will be sending out a resource kit to help with the running of the course, the only cost involved is a \$10 online resource. The resource pack and other details relating to the course will be sent out by the end of November.

Unfortunately, we have to cap the number of participants of both the SRC and Bronze groups to 20 in each. It is in the Club's best interest that the candidates who participate in the course are committed to patrolling.

Completing ALL the steps in the registration process is very important.

Please fill out the forms in the links below and if you have any questions, please email Mia and Ethan via email.
